

**CONSERVATIVE LEGISLATORS ENDORSE BLAKE PAULSON FOR HOUSE DISTRICT
10B**

"Blake Paulson is fighting for our shared constitutional values and priorities and has a consistent track record helping conservative, Republican candidates up and down the ticket from school board to President Trump. Blake's work ethic and commitment are clearly demonstrated by his knocking on doors in the middle of January, organizing grassroots patriots in central Minnesota, starting a conservative student group while attending the University Minnesota, and working alongside members of the House of Representatives on behalf of the people of Minnesota.

Blake is a strong constitutional conservative who proudly stands and will fight for pro-life policies, the Second Amendment, law and order, election integrity, medical freedom, and will be a powerful advocate for his constituents in St. Paul.

We are proud to endorse Blake in his race for State Representative and know Blake will be a strong, unwavering voice for the people of District 10B in the ongoing battle for truth and the future of our great Republic!"
